H.R. 1437

A bill to improve the United States Code

As ordered reported by the House Committee on the Judiciary on May 7, 2003

H.R. 1437 would make technical changes to laws related to public buildings, property, and works. CBO estimates that enacting the bill would result in no cost to the federal government. In addition, the bill would not affect direct spending or revenues. The legislation contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Matthew Pickford. This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
